WELCOME MESSAGE

Dear colleagues,

On behalf of the Organizing Committee, we are pleased to invite you to the joint meeting of ICIC (4th International Interscience Conference on Infection and Chemotherapy) & ISAAR (11th International Symposium on Antimicrobial Agents and Resistance) in Gyeongju, Korea from September 26 to 28, 2019.

ICIC which was founded by the Korean Society for Infectious Diseases (KSID) in 2013, has been focusing on diverse topics on infectious diseases throughout the globe with regard to the epidemiology, diagnosis, treatment and prevention. Given the continuous emergence of infectious diseases in various parts of the world, effective international communication and collaboration is of critical importance. ISAAR which has been organized by the Asia Pacific Foundation for Infectious Diseases (APFID) biennially since 1997 has become the most representative international meeting on antimicrobial resistance (AMR) and development of novel antibiotics and vaccines.
